

Aloha Neighbors!

Our annual Homeowner's Meeting is coming up on Tuesday, March 19. It's a wonderful yearly opportunity to meet with all your neighbors in our Pualani Estates community and have your voice heard as we discuss Pualani Estates concerns.

Want a more active role? There will be several board positions opening this year, so please give some thought to running or suggesting a neighbor who would be a great guide in our community.

What is your responsibility as a board member? We have four regular meetings per year to attend, and board members can also lead committees such as DRC, CC&R, traffic, outreach, and anything else you think should be addressed for the common good.

Please send your letter of intent, including a 100 word resume of your activities and talents you can offer our community, to Angela Kaiwi of Hawaiiana Management, at angelak@hmcmtg.com.

I look forward to seeing you all at the annual meeting!

Aloha,

Eileen Celeste

Pualani Estates at Kona
